It is the first of the five installments of the Prince of Persia series to be directed by many of the same developers who made the first two games: Jordan Mechner, Tim Echols, and Bruce Hall. The game was released in the U.S. on September 6, 2010 to critical and commercial success, with many publications praising its improved graphics, story, and gameplay. Its ending was considered to be a part of gaming culture. Contents Gameplay The game is very similar to the previous games in the series, having many of the same features and mechanics but also including new ones such as the ability to run backwards, longer contextual combos, more intricate camera system, and more powerful enemies. The game is set in the classic time period of the series, and proceeds to replace the previous series of comic book-style cutscenes with gameplay sequences. Plot Characters The game opens in a desert called the Sands of Time. The protagonist, Dastan, is the son of a Persian nobleman named Jalal, a member of the royal family. During the opening scene, Dastan and his friends are getting ready to spend the day with the family. They ask if anyone has anything to go with the drinks, and Dastan comes up with a plan to escape. He walks up to a female shopkeeper who is selling a necklace, which contains two vials of poison, and offers it to her. She refuses, and he then convinces her that he is thirsty and then drinks the poison. While recovering at home, Jalal tells Dastan that he had a close call with the Shah of Persia in his last battle, and he also tells his son to use his charm to hide the poison. In the palace, the Shah, the former ruler of Persia, had been poisoned by the enemies of the royal
