So the first edition of this course was all about getting started by creating a personality profile, writing goals, and creating a vision statement for our businesses. The second edition of this course is more about the “how-to” side of a business, specifically on creating an operations profile, the financials, and the metrics of a business. In the second edition, I take you through a few scenarios of different types of small business, the pros and cons of each, and give you some tips and tricks on how to build the most productive operations profile. I will show you how to basically decide on what type of business you want to build. What do you think? How much have you changed as a result of the first edition of this course?Jakub Vavra (canoeist) Jakub Vavra (born 13 November 1980) is a Slovak sprint canoeist who has competed since the late 1990s.
