Construct. Ally. Scythe. Forsaken. Wither. Warpath. Heroic. All of these names are said at your throat, leading to an unforgettable experience for anyone who follows them. Whichever path your wish to take, the power of your heart and the might of your sword will guide you toward victory. Take with you the might of the Imperial Court, represented by the Imperial Bason, a servant who has lost her memory and battles for power within the Imperial Court. Her companions are Edge of Oblivion and Callief. Just as the wolf is stronger than the sheep, the great hero is stronger than a hero. Protect the weak, and fight for the greater good. Protect the weak, and fight for the greater good. Legend says that when The Bason's followers fight together, they create "blue fire." For when the great hero is lead by the will of the people, they are guided by the light of justice. The Bason is the guardian of scythes. She has one purpose: to destroy all beings that oppose the Imperial Court. She has one purpose: to destroy all beings that oppose the Imperial Court. In this world, all things are subjected to absolute dominion. Garish cobalt, the color of the great hero's companions

What's new in Elden Ring:

***Mysterious Worlds* [Xbox 360, PS3]**

Todd Howard and Kathleen Ryan

Obsidian

Developed by ID, who is known for creating the *X-Com* series.

***Mysterious Worlds* is an action RPG set in a world known as the Ofur. It's a place where, seemingly, people have death because it has an extremely short life expectancy. Faced with this harsh reality, a group of young people form a group, and travel to achieve power and to die with a predetermined lifespan. You'll**

be able to provide goods to people and change their initial concept of death by selecting from a wide variety of entertainment.

Mysterious Worlds is a game involving both the first-person perspective and third-person. In addition, you can choose to have male or female characters, able to use certain items with a special effect. While the game may remind you of your favorite game, it has unique elements that offer players unexpected enjoyment.

The battle system of ***Mysterious Worlds*** is a game that encourages a sense of growing your personal power, by making martial arts, such as hand-to-hand combat, pole weapons, and spear throwing, more fun. Also, the battle system involves not fighting just physical battles, but also thinking about the military strategy while thinking of how to use your mobile phone, such as when you're waiting for the attack to begin, you can use the GPS on your phone and show the map so that it will appear inside the game. In addition, ***Mysterious Worlds*** features various weapons. Swords are highly effective against different weapon-types. As the game goes on, the game will select a weapon with which to fight battles by matching it in size, in addition to follow-up attacks.

Mysterious Worlds will feature a wide variety of

items, allowing for the diversity and enjoyment of each of the weapons that the player chooses to use. Also, players will be able to make the vitality of their equipment grow when they make accessories they equip
