The Elden Ring is an RPG that debuted on PlayStation®2 in 1999. Since that time, it has sold 2.1 million copies and won numerous awards. We're back with a new fantasy action RPG experience on PlayStation®4 system. The features include a vast world, a unique story, a vast variety of effects, and a high degree of freedom. CUSTOMIZE YOUR CHARACTER. As one of the heroes, you must equip your character's various weapons, armor, and magic to fulfill your role. You can freely combine the weapons, armor, and magic to change them at will. EXPLORE THE VAST WORLD OF THE LAND BETWEEN. The Lands Between are home to various places such as the Land of Ice, the Land of Shadow, and the Black Hell. There are also various types of events taking place on these different lands. It is a fantastic world that you can discover by exploring it. PROFESSIONALLY DESIGNED GAME ELEMENTS The variety of dungeons and other scenes in the game includes many unique designs and fluid puzzle-solving elements. The game combines multiple types of games, including role-playing and action games, so as you replay the game, you can discover new stories and battles. UNPARALLELED 3D CHARACTER ACTION OF COURSE. In addition to the unique battle system, you can use a variety of weapons such as axes, swords, daggers, and powerful magic. The battle system takes place in real-time in which you have direct control over a character using the analog stick, and you can freely attack and defend the different kinds of attacks. CHARACTER DEVELOPMENT A new story, various characters, and more are waiting for you. While your character develops, there are countless fights waiting to be experienced. Develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. BUILD YOUR OWN MANOR You can build your own manor with money you earn from battles, or purchase and freely decorate the rooms of a manor. You can also furnish and equip your guests for a special adventure. UNIQUE ENVIRONMENT As you continue to develop your character, there are various environments where you will experience natural disaster, darkness, and other challenges. There are also numerous places you can explore

Features Key:

Leader skills:

A set of special skills that raise attributes and increase various stats. You can freely control your skills on the go.

Map Blocks:

A technique used in hack/slash games to illustrate a grid to represent the elements of the map and to encourage party members to maneuver around and attack.

After completing the game, you can unlock map blocks as you continue playing. To unlock more map blocks, you can purchase them with Magicite that you obtain through other means.

Character Creation and Customization:

You are able to customize the appearance and characteristics of your character to suit your play style. Equip a variety of weapons and armor. Create your own style that suits your fighting techniques and character.

Maps:

A dynamic and never-ending sequence of dungeons. Team up or cooperate with others. You can also play with the settings of items and mechanics, such as changing the range of the sword. You can collect items and items that increase your skills and attributes, each of which provides their own benefits.

Classes and Skills:

Seamlessly controls the attributes and special skills by activating a class and earning a level. You can create a character by freely selecting the skills that you desire.

Missions:

Enemies are found and defeated in multiple ways. Missions are obtained through rewards. You can develop your experience and enhance your attributes based on your success. The more you level up, the better your skills become.

Competitions:

Register to participate in a tournament and receive in-game rewards.

Discord:

What started as just a little forum has now become a vibrant community from tens of thousands of members to more than one million. Chat, exchange information, and discuss the game.

Post-Launch Support:

Updates and improvements have been continued. An online game where you can experience a new story and play with new characters. Stay tuned, we are working on exciting updates.
