FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay. In the following clip, we'll take a look at the essential elements of Player Intelligence that will help you become a stronger, more effective player in FIFA 22. Focus Mode "Focus Mode" is a new way to play FIFA in which you will compete in selected games in a custom squad or against your favourite clubs to earn points or, in some cases, complete leagues. What's new in Fifa 22:

- **Unlock achievements by customizing teams and kits across millions of unique items in one of the largest sports game updates to date, including North American goalkeeper-specific items and new stadium upgrades.**
- **Improve your off-the-ball movement with the introduction of Balance Control, a new Ball Physics system that calculates and adapts to all on-ball movement across the entire pitch.**
- **Change the flow of a match with 5 new game modes, including Champions League Division of Power, one of the most fun and authentic ways to**

play the tournament.

- **Face your friend's created player in 11-minute match-ups in the 10v10 Player Duel.**
- **Score-boosting Grinders let players battle in short but intense matches against ever-present goalkeepers to dominate the match. Stop Killem and Cropper to secure your spot on the podium.**
- **Multiple gameplay layers raise the stakes as you face opponents with AI teammates that are more dynamic than ever. And with player movement, behavior and player attributes now tied to match conditions, go karting on a slick indoor pitch and celebrate a goal by propelling your team away in style.**
- **Move your boots from pitch to pitch with the new One Touch Substitution; build confidence and calm nerves with the new Replay Function; and gain more style points with the new FifPro Kinetic Player Model.**
- **PACKED WITH UPDATED BEASTMODE: Build up unprecedented power as you dominate your goal, with a new hyper-Realistic Real Player Motion System that tracks every single player on the pitch as they make their way into the attack. And best of all, new bursts, spins and straight runs will change the way the rest of the match plays out.**
- **CHOPPER HEADS FLYING OFF THE XBOX ONE SELFIE CAMERA: Steve Stone just asked for a trade, but how can you get him out of the EPL?**
- **WIN YOUR DREAM MANAGER: Manage your favorite club and bask in the glory as you compete with your friends via Global Challenges in All-New,**

Authentic 'FM19' Mode for Xbox One.

- **The newest way to play soccer returns with Virtual Pro on Xbox One for the first time.**
