**Magical Deathpaire** Please note: story contains NSFW content. If that bothers you, then you're not supposed to be reading the story. Please use discretion. Magical Deathpaire was once a member of the literary group, Onyx. Read his story "Magic, the Fourth Element". Guest Content Update Of Note: Magical Deathpaire's story is now available on Amazon! A SHORT STORY MEGA-MIXED BCH COULD LEAD TO OBJECTIONABLE IDEAS, SO A CONFIDENCE MIX PLEASE. Hey, BR deoxys, why do you only have 5.3/5 stars? This is a nice accomplishment for getting over 5.0 with your 1000 reviews. Some of these are mediocre reviews with dashes or one stars, but that's 5 stars in dashes or minuses. You should try to keep what you've got

going for you. After all, I think you have a lot of potential. Sadly, I don't think that you'll achieve it. It's a shame. Oh, and LOL at the part about the chopped-off altanas. They do that with everything Pokemon. I can never figure out how to breed for the attributes the game gives me, so I just give up and make altanas instead. The choice is clear. Magical Deathpaire The Deathpair, the Legendary Pokemon of Magicians, was born a hundred years ago in the northern mountains of the United States, surrounded by the broken remains of the former American Empire. The cliffside where the girl stood was darkly stained with the blood of so many who came to this place. The site was once an old storage shed of the factory, but was now frequented by tired travelers seeking warmth and respite in this cold and dreary wind. A figure in a grey hooded robe stood idly on the flat rooftop to the south. She appeared to be looking at something, perhaps the cold mist that was rapidly appearing in the valley. Rain began to fall as the figure turned and gazed south, then quickly looked up as the clouds set, leaving the sky to bleak and dreary. The figure approached to the edge of the rooftop, and the girl was unsure whether to shudder and wait for the rain to cut the chill of the night on the mountain or step forward cautiously to find out what the figure was
