Embed Code For SPS download and activation code video Comments and ratings for this video: Sasha 23:24:46 Sep 28, 2016 BSOD while trying to load, any help? (Clean PC, no registry problems, don't know what is the problem) it's like this when I go to the homepage of Facebook, I get BSOD and crash and reboot is OK too! I need Adobe Photoshop CS2 but I don't have my serial number (key if you know what I mean) Any idea where I can get that? I know I can get it online but how to pay online for software is not easy. I tried asking for an activation code via eBay but it's not accepted. But I am sure that I have a legit request. Thx Seth 17:46:55 Nov 27, 2014 Any one have a working Serial Number for Photoshop CC2? Hey man that video was extremely helpful! but I was wondering if there was a better replacement for Dreamweaver other than Photoshop? I would love to get rid of Photoshop and use your videos to learn how to do the same thing in a good editor! Thank you! I am trying to download the Adobe Photoshop CC 2015 and the site is asking for an activation code but I have no idea what a serial number is. Is there a way I can pay for the product online? What would the code be? Seth 20:00:22 Oct 11, 2014 I just downloaded Photoshop CC, but now I have to pay for the product online. How do I get an activation code for Photoshop CC so I can install it? Thanks! B.I.G 22:24:40 Oct 3, 2014 I wanted to buy the product at www.adobe.com/de/products/photoshop/index.html? I don't have a serial number for the same? They will not give me a refund... I have tried the CC one I got from them. I
