License Agreement About Ping□ By using our service, you agree to the terms and conditions below. Please read them carefully before using our service. If you do not agree, you are prohibited from using our service.

1. General Provisions (1) You are responsible for everything on the Internet or network that comes from your use of the service. You may not manipulate, transfer or delete any part of the data on the Internet or network without authorization from Ping. (2) You acknowledge that if you use the service, your use of the service is subject to the following regulations and policies. You can use the service only within the national laws and regulations and to comply with all local laws and regulations. As a registered user, you agree to use the service in accordance with these regulations and policies. (3) If you are the user of the service, you understand that the content of the service may be offensive and indecent. You may not use the service to support or promote illegal activities and say/post malicious comments. You agree not to disclose other users' personal information.

2. Service (1) Ping provides the service to users for free in the hope that you will keep using it. The service may or may not work properly due to abnormal circumstances. Ping cannot guarantee the availability, security, or quality of the service. We, therefore, do not guarantee that the service will be available 24/7, completely reliable, or free from errors, and may, thus, refuse to provide the service to you at any time. (2) If you use the service, you agree that you are responsible for any damages caused by your use of the service. We, however, do not accept any responsibility if you use the service for illegal activities.

3. Usage Rules (1) You are prohibited from using the service as a registered user to send any messages or files that: (a) are harmful, obscene, defamatory, unlawful, or contain threats against another person; (b) are intended to promote hatred between races, religions or sexes; (c) threaten, incite to violence, or threaten to commit criminal or terrorist acts; (d) contain any information that violates another's copyright, trademark or patent rights, or is subject to other intellectual property rights; or (e) contain any information that: (i) violates other users' rights including the
