
How To Display Two Subtitles Simultaneously In VLC On Windows 10 FULL

May 20, 2019 - The extension loads the second subtitle and the software helps this extension to display/load the second subtitle. In the screenshot below you. We expect you to continue supporting subtitle downloads to expand the extension to include support for a second subtitle. We can't say how long this will last, but we still hope you can see the second subtitle in the near future. For those who already support uploading subtitles, we provide a link to the downloaded extension at the end of our email: <http://www.stefan.com/software/subtitles-up2go.html>.
