The Acctg report is built in for NetSuite and QuickBooks as well as all of our other solutions. You can easily replicate this to the other solutions. Once built, the Acctg report can be customized to include the "Date Opened", "Date Closed", "Amount". We are showing the "Sale" line with 3 columns because we only want to show one type of transaction from our data. \* SCCM Current Branch Installation and Configuration Guide Important Info This post is HUGE, use this table of content to navigate easily through the SCCM Installation guide sections.
