euro truck simulator 2 is a
simulation game in which you
drive trucks and trailers over
the roads of europe. the game
is actually a combination of a

simulation game and an open-world game, as you can travel freely through the world you have built. the game is developed by scs software, the same team that created the highly acclaimed euro truck simulator. the game combines great graphics with an amazing driving experience, and a very convenient interface. it is a simulator that will keep you glued to your pc for hours on end. follow the link below to download the game and to read more about this incredible game. 5ec8ef588b
