bestsellers may be loaded with ideas, but the fire bible is loaded with idea. the spirit-filled theology makes a statement about the worth of the bible and of god, the purpose of the spirit in the life of christ, and about salvation as a gift and a grace. the idea of the spirit-filled life is an interpretation of what the bible teaches about the relationship between christ and the holy spirit, and it is a vital exegesis, making the spirit-filled life relevant to all christians and all christians might well want to consider the underpinnings of the fire bibles understanding of the faith. pastor hayford and his colleagues have compiled a resource for all believers, a resource that is both exciting and practical. the faith is here presented as the good news of the gospel, the key to christian fellowship, and life-changing revelation that promises to radically transform any reader into the kind of people that god wants them to be. the fire bible is packed with notes and text tools that help you to apply the scripture to your life. i strongly recommend that you not look at this study bible in isolation, because the better you understand the theology and the life of god in the bible, the better you can discern where the spirit is leading you through the lessons of the bible. if youre like me, youre going to want to have more than one version of the bible to use as you study and apply the bible, and this is where the fire bible becomes an invaluable resource. if youre like me, youll want to carry around a bible that has more than just a yellowish cover on your desk as you go through the day. as you study, youll want a bible with more than just a phone book size for the books.

The New International Version Full Life Study Bible

this study bible was written by james white that is full of personal stories. it makes you feel like you are reading the story of a relative or friend. the new testament was written by james white as well. it is an easy read and a great bible for reading devotions and study. looking for a bible of encouragement? here is the one for you. paul david tripp is a gifted encourager and wrote the complete book of encouragement as well as blessings. to discover this treasure hidden in the bible you can click on the title link below. the beginning of a new beginning by bible fount is being sold for \$19.95. this small portable light bible is being sold by tyndale house at no cost, but in return, the profits will be used to produce an inexpensive brand-new translation of the bible. you can read it online at thebeginningofabible.org . there is also a free online bible (<https://beginningofabible.org/the-free-online-bible/>) as well as a free audio version. that one is called the new international version audio bible (<http://www.petrarch.org/the-new-international-version-audio-bible/>), and it is free as well. and then there is the new international version of the bible . this one is sold in a wooden box with 48 double-page picture-books. (https://www.amazon.com/new-international-version-bible-international-study/dp/b076b1357w/ref=sr_1_1?ie=utf8&qid=1543805050&sr=8-1&keywords=new+international+version) wow!!! the articles in the commentary are so instructive. i have come across some very bad translations and i feel most of those are no longer available. i have been interested to know the source of those translations. i have been meaning to do some research but never got around to it. now i will. thank you! 5ec8ef588b
