flags....the "myth of perfidious Russians" (Part 2 of 2) - Eric Schwarz "I read that even if you're 5 percent wrong about something, that means you're 50 percent right." -Eric Schwartz This blog is the story of the Chernobyl Nuclear Disaster as seen through my eyes and family history. Marx "There are no special human beings called terrorists. There are no special human beings called freedom fighters. There are no victims called innocent, or martyrs. There are only victims, innocents and martyrs." -Victor Sebestyen "One should constantly remind oneself that all the finest and most important things in the world have been said by fools, a fact of history which is almost totally ignored." -Christopher Morley "Neither the Communists, the Nazis, nor the Capitalists are the people's enemies.
