Indo... Fantastic Four hits theaters today - April 14th. Fantastic Four opens about four regular families which are lead by a Fantastic Four. The family consists of all kinds of heroes. But what we will love about this movie is the story of this family which has just started its own family business. And it's not just the plot that people will love about this movie. Fantastic Four is considered to be one of the greatest movies ever made because it's filled with humor and action. The ability to be a superhero and to understand how you actually got the power are two parts of this movie. There are also four parts of this story, in my opinion.
