Mitti Di Khushboo Hd 1080p is the most popular and greatest quality Full Movie Download Hd 720p,1080pQ: Codeigniter : Create new object and save it I have a problem to create new object and save it. I create the object in the model class and then i call it in the controller using \$this->tbl_name->create_object(); now i need to call this method in the controller in the same way, but it gives me errors. I am calling from the controller: \$this->tbl_name->create_object(); and the error message : A PHP Error was encountered
