# Heimliche Liebe 2005

## English Subtitles

here you have movies that have been dubbed into english by hollywood studio, and some of them got a german cast. you can choose a variety of languages including english, german, french, spanish, italian, and the option is only available when you click on individual movies. you can also use a search tool to find the movies. the site contains all movies made in german. you can either search by name or by category. each movie has an option to create a watchlist, and you can add movie reviews. what makes this site different is the listing of movies in five different genres: action, adventure, comedy, sci-fi, and thriller. wttf.org contains movies with english subtitles in a variety of languages. the site is very good because there are an option to select your language, and you can search for movies according to the language they have been dubbed in. if you are interested in movies dubbed in spanish, there are many movies listed in that language. the free version of the website includes the base russian subtitles, while the premium version adds 25 languages to the base russian subtitle. the premium version also includes an interactive interface where you can easily select the subtitle from a list. subtitles in russian and english can be viewed, searched and downloaded. the srt format is basically the same as the one used by dvd players. the advantage is that you can download the subtitles through the internet. they are different from the raw subtitles used by some subtitle players. the free version allows you to download and watch only a single subtitle file. the premium version allows you to download multiple files, choose a language and additional text subtitles or subtitles in the last video you viewed. there is also a great feature known as 'text to speech', which allows you to read the subtitles and so on. also, it is possible to download on dvd with limited playback options, and dvd disc with all playback options.
